The Fool on the Hill
We’re going to tell you about Maxime’s story, who’s also famous with the name "The fool on the hill". His name was Maxime, but he forgot it. At the time, he lived alone on a hill. One day, some doctors came and took him on a psychological hospital, hoping he could heal.

How are you today, Mister the Fool?

And our friends are all an bord. Many more of them of them, live next down, and the band begins to sing, PAPAPAPAPAM.

Macca is back! Macca is back! Live in Bercy! You see? Oh dear McCartney!

Hey! the fool! Behave yourself!

Paf
Run for your life!!!

I'm free! As a bird

I have to find the train station. Then, go to the Bercy concert!

Where are you going to?

To Paris, Mister

It's the next train

Is it the right way to go to Bercy?

Oh! Bercy? Let me see. It's far away! You'll have to walk a lot. Go to the end of the street, then go in direction of Vincennes.
He surely wants to go to Bercy. We have to find him, he's so crazy that he'll become dangerous.

I think that he's not intelligent enough to find Bercy alone. Let's anyway go there.

But the fool found Bercy. He began to do some crazy acts...

I've found Bercy!!!
He came back and went behind the Bercy Hall. He wanted to come in. But...

I want to see McCartney! Let me come in!

Hey? Sir? What are you doing?

No way! Out of the question! There are no seats anymore!

I wanna see McCartney! You want stop me!

Where is he? Where is he? I want to see him? Where is he?

I can’t find him! Where did he go?

I can hear noise!!

IS IT HERE?
You used to say live and let live. You know you did you know you did...

McCartwyyyyyyyyy!!

But if the even changing world in which we live in makes you give in and cry...

We have to find him! He's dangerous! Maxime? Where are you?

Where is the fool?

Thu...Th... There... The door

Say LIVE AND LET DIE!

LIVE AND LET.... Aaaaaaaah
The Fool was so glad that he didn't feel that he was dying

The Fool!!!
Nooooo!!!

Day after day, alone on the hill, the man with the foolish grin is keeping perfectly still. But nobody wants to know him, they can see that he's just a fool. And he never gives an answer, but the fool on the hill, sees the sun going down and the eyes in his head see the world spinning round.
