

We have a guest !

Today we're on October the 1st and we have a guest. He comes from Northampton (England). His name is Fred Cook and he likes cooking. He is 19 years old and has got two sisters. He comes from his university where he studies history and French. He speaks very well French but not German and Spanish. His birthday is on the 13th of July. His favourite museum is the British Museum in London. In France, he wants to visit the Musée d'Orsay. He used to play Football but he hates rugby. He arrived in France on Friday the 27th and he is going back to England for Christmas. He visits Paris when he doesn't have school. In France he lives in Boulogne Billancourt. He has played drums for 6 years, and he likes listening to rock music. He is very happy to be here (I think and I hope so !)
